

CEDARS HOUSE CHRISTIAN (INTERNATIONAL) was birthed from the place of much prayer and intercession. For many years, we've carried a burden and desire to see the Church of Jesus Christ strengthened and empowered, overcoming her challenges and fulfilling her purpose and mission on earth. For many years we've yearned, prayed and interceded that every believer would come to the place of maturity (in thought, word and deed), and be actively engaged in God's kingdom business, wherever He has placed them.

For this to happen, the Word of God must become central to the Church and to the life of every believer. This is the only way the Church, as Salt and Light, can influence the world. Unfortunately, we live in an era when believers are no longer pursuing sound doctrine (2 Timothy 4:3-4). However, it is only through sound doctrine that we will learn about God (His nature, character, ability, truth and power) and how we can grow and live a life pleasing to Him. The need for teaching, therefore, cannot be overemphasized.

Our mission is simple and clear – Jesus Christ is coming soon and every believer must be strengthened, equipped and empowered to live and declare the Good News of the Kingdom of God. The only way to achieve this is by returning to the teaching and preaching of the authentic word of God. Through the Word of God and the power of the Holy Spirit, the Church will, once again, discover her identity (who she is), her status (the position and authority) and her purpose (mission and mandate).

CEDARS HOUSE CHRISTIAN (INTERNATIONAL)

an apostolic ministry with a mandate of Restoring the Glory of Humanity through Christ

“This water flows toward the eastern region, goes down into the valley, and enters the sea. When it reaches the sea, its waters are healed. And it shall be that every living thing that moves, wherever the rivers go, will live. There will be a very great multitude of fish, because these waters go there; for they will be healed, and everything will live wherever the river goes. It shall be that fishermen will stand by it from En Gedi to En Eglaim; they will be places for spreading their nets. Their fish will be of the same kinds as the fish of the Great Sea, exceedingly many. But its swamps and marshes will not be healed; they will be given over to salt. Along the bank of the river, on this side and that, will grow all kinds of trees used for food; their leaves will not wither, and their fruit will not fail. They will bear fruit every month, because their water flows from the sanctuary. Their fruit will be for food, and their leaves for medicine.”

Ezekiel 47:8-12
